

# Corona Health and Safety Plan

## DISTANCE

- Single tables in the training room at a distance of at least 1.5 m
- At least 3 m distance to trainers
- Food individually packed or served on plates (no buffet-style food)

## DISINFECTION & HYGIENE

- Provision of disinfectant dispensers, skin-friendly soap and paper towels
- Daily cleaning and disinfection of surfaces and training room furniture
- Regular airing of training room

## FACE MASKS

- Please bring your own FFP2- or medical face masks
- Face masks are mandatory when entering the building and everywhere outside of the training room (toilet)
- Masks may be removed during the training
- Our cleaning staff members wear masks during cleaning and disinfection of the training room
- Service staff members wear masks when serving food

## ACTIVE COMMUNICATION

- Obtaining of self-declarations from all participants prior to the training and upon arrival
- For access to our headquarters, please present a vaccination proof or a negative PCR test result (not older than 72 hours upon start on the first training day) during check-in.
- Detailed presentation of Corona Health and Safety Plan before start of the training
- Postings and information signs
- Requesting participants and employees with relevant symptoms to leave the premises or stay at home

For the safety of all our perma ACADEMY participants, we continue to guarantee compliance with the national requirements for infection protection.
